DESCRIPTION: International student's name, Invoice nr – Tuition Fee (Example: Name Surname, Invoice 112233 – Tuition fee)

Item	Amount (EUR)	Unit	Total (EUR)
MSc Software Engineering 2022 Fall semester tuition fee prepayment	1,500.00	EUR	1,500.00
		Total	**1,500.00**

Students who are not citizens of the member states of the European Union, the European Economic Area and Swiss Confederation and do not hold a long-term residence permit in any of these countries pay half of the semester fee after being informed of the admission decision and before being matriculated to a non-Estonian curriculum by the due date indicated on the invoice.

The official admission letter (necessary for visa application) will **only** be issued once the University of Tartu has received this payment.

The second half of the semester fee is to be paid by 20 September. Invoice will be issued at the beginning of September.

Please include the invoice number and the name of the student in the payment transaction. Otherwise, the payment may not get properly processed. Once the payment has been received, a notification with the message „payment collected" will be provided individually to each candidate in DreamApply.
